

Maranatha Adventist School

Health Guidelines

As of July 13, 2021

- Promote healthy hygiene practices—The teacher will teach, reinforce, and model proper hand-washing, know how to cover coughs and sneezes, and reinforce avoiding contact with one's eyes, nose and mouth.
- At this point, it is not expected masks will be required in the classroom. Students may choose to wear them. It is recommended that students who have health risks consult with their health care provider on the advisability of wearing a mask.
- Social distancing in the classroom and throughout the day—We are a small school with a large facility. There will be maximized space between seating and desks, with at least three feet between desks. As much as possible, recess and lunch will be outdoors. If weather does not permit, students will eat lunch at their own desks. They will be allowed to play together at recess. MAS has a large gymnasium as well as a large outdoor playing field.
- As of July 13, 2021, the State of Missouri is not requiring temperature checks at schools. We plan to have a scanning thermometer available to take temperatures as needed. If your child displays any of the Covid-19 symptoms, we ask that you keep your child home from school.
- Sanitization of the school—The school desks, chairs, surfaces, doorknobs, and doorways will be cleaned and sanitized with Lysol every day after school.

As the status of the Covid-19 pandemic changes in the Moberly area, our guidelines may need to change as well. We will communicate these changes to our school families.

We plan to have on-site in-person education at Maranatha Adventist School beginning August 16. We will do everything we can to provide the best and safest education we can for the children who come to our school. Our desire is for the school to be a positive and happy learning environment for our students.

Schedule your visit with the teaching staff and a tour of the facilities today!

Call us at 660-263-8600 and leave a message with your name and number.

We will check our messages daily.

Or, you can send us an email at moberlymaranatha@gmail.com.
